

Concrete Truck Parts

PROTECT YOUR TRUCKS WITH KRYPTANE® POLYURETHANE

Argonics' Kryptane polyurethane has superior abrasion resistance and washes down better than steel or rubber.

CHARGE HOPPER LINERS

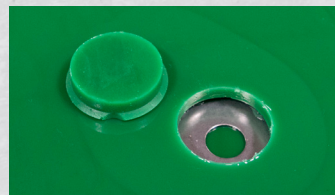

- ✓ Weld-in design with Snap-Tite™ polyurethane plugs
- ✓ Easy wash downs and clean up
- ✓ Wear-resistant polyurethane reduces downtime
- ✓ Reduces noise

Sizes to fit the following trucks:

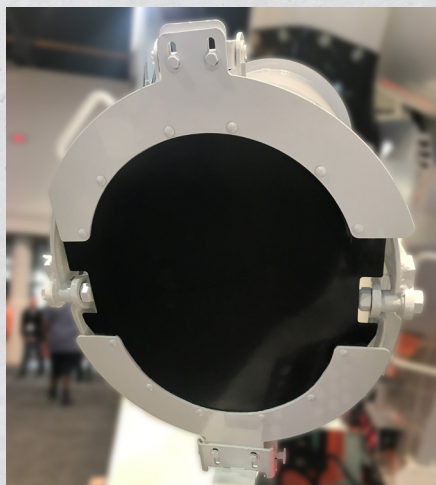

- ✓ MTM/McNeilus
- ✓ Oshkosh
- ✓ Advantage
- ✓ Indiana Phoenix

Snap-Tite™ Plugs

- ✓ Provide an uninterrupted polyurethane surface
- ✓ Prevent material from migrating under liner

ROCK SHIELDS

- ✓ Prevent material from leaving the chute
- ✓ Shield traffic and vehicles from damage
- ✓ Durable, flexible Kryptane polyurethane resists wear and cleans easily
- ✓ Custom colors available
- ✓ Replacement shields in various sizes to fit your particular frame

Sizes to fit the following trucks:

- ✓ MTM/McNeilus
- ✓ Beck
- ✓ Continental

DISCHARGE CHUTE BIBS

- ✓ Superior abrasion resistance
- ✓ Long-lasting durability
- ✓ Won't curl or crack like rubber
- ✓ Concrete does not stick to bibs
- ✓ Custom colors to match your fleet
- ✓ Rear and front discharge liners available
